Message from Kevin Duffy

We have four tickets for Scotland -v- England and six for Italy -v- England, if anyone has plans to travel to either game could they give me a ring if they are interested.

Regrettably I am going to have to let a few people down this year but I will deal with the numbers for the Christmas break and inform everyone accordingly.

I have left open an option for a third application but with the time available I think we are going to struggle anyway. There is a possibility that we are ok on the Wales applications but the Ireland application is going to be a slight problem but we have applied for more tickets and I will keep everyone informed.

Another ticket matter - On the 27 May England are playing the Barbarians and as a club member we have been offered a very good of category 1 tickets at £20 each and the option of taking juniors under the age of 15 at £10 each.

I intend submitting this application prior to the Xmas break on the 23 December so if anyone is interested can you please let me know as soon as possible. A great opportunity for those of you who have not been to Twickenham to get involved at £20 per head and added to this the Club get £5 cash back for every ticket purchased.

Please let me know and I will monitor the interest and if there is enough interest I will block book the tickets. Due to the fact that the club will be receiving £5 there will be no booking fees again I stress this is a great opportunity for people to go to Twickenham at an affordable price and take the kids as well.

**West London 1<sup>st</sup> XV 27 Finchley 1<sup>st</sup> XV 21**

WL regained winning ways in a London League NW III clash at Birkbeck Avenue last Saturday.

Hooker Bevan Laurent ran in the first of his two tries in the first five minutes of the game, this was converted by Michael Walsh. Finchley not to be outdone responded with an unconverted try.

The game settled down to a forwards battle and WL were struggling against Finchleys heavier front five, however WLs front row of skipper Matt Roxburgh, Bev Laurent and Paul Clancy worked at making the hard yards and drove Finchley back over their own line for Laurents second try, again converted by Mike Walsh.

It was close to half time when Finchleys centre running a fine line carved through the WL defence to score a fine try

West Londons forwards continued to make the running and second row Jarrod Boys touched down for WLs third try again converted by Mike Walsh, who added a further six points to his tally with two penalties. Finchley added a further try to their score and a penalty. In the dying minutes Finchley were awarded a penalty which they kicked to bring their final score to 21.
