West London 25 Bank of England 12

West London started the 2012 part of their London League campaign with a fine win over Bank of England at Birkbeck Avenue last Saturday. A mild day but with the wind gusting in all directions kicking was a nightmare for both fly-halves, all afternoon. Both sides are sitting middle table and so a win for either side was important, West kicked off up the slope and put the Bank under pressure on their line but failed to score, a situation West have found themselves in on several occasions this afternoon, they make the hard yards but fail to convert them into points. However the pressure told and Bank conceded a penalty, which Mike Walsh duly converted to three points, 17 minutes into the game. Further pressure by the forwards allowed Bevan Laurent to touch down but the swirling wind denied Mike Walsh the conversion. Bank of England responded with vigour and by some sharp footwork and passing scored near the posts, a try which was converted to make the score at half-time 8-7. The second period continued with the West London forwards exerting pressure in the scrummages even so far as to take one against the head, although inclined to use forward moves when perhaps a run by the lively backline could have paid dividends, however Matt Roxburgh always present where the ball was finally powered over with ever present Jarrod Boys at his shoulder. It continued to be a forwards afternoon when flanker Ross Sweetman scored after the opposition forwards were driven back over their own line, Mike Walsh converted, more pressure by the forwards saw skipper Jon White power over for the 4th try of the afternoon earning West a bonus point to take a further step up the table, unfortunately he then limped off having twisted a knee in making a further in road into Bank territory.
