After their defeat at the hands of Wasps FC colts last Saturday they will be looking to get back on song this week, however remember London Cornish Choughs are a highly skilled side so a little help from their friends would be good for the twos this Saturday.

Cornish play at the Richardson-Evans Memorial Playing Fields.Roehampton Vale SW15 3PQ.

Ground is located 100 yards North of the ROBIN HOOD roundabout on the A3,before the ASDA store.www.lcrfc.co.uk Kick off 2: 15pm.

Waterstones having dropped their apostrophe it seems what I have advocated for years, Colin, is coming to pass, ie the apostrophe is a grammatical irrelevance.

West London 1st XV 6 London Welsh Amateurs 19

West Londons run of success ground ignominiously to hopefully a temporary halt when they were beaten by an improved London Welsh outfit at Birkbeck avenue on Saturday. Unable to find a way over the Welsh line despite some pressure during the first half Wests only reward was two penalties from the boot of Michael Walsh. As usual Matt Roxburgh was prominent in carrying the ball forward but his support was lacking in drive and speed.

The first half ended with most rugby played in the Welsh half and the score at 6-0.

The second half got under way with the Welsh scoring a try from a breakaway down the right wing although not converted it brought the visitors to within one point of the West total.. West completely lost control of the game as their forwards came under more pressure than usual although they took two against the head, and they continually kicked away possession which either went into the arms of the opposition or was readily gathered and put West on the back foot. Some lack lustre tackling allowed the Welsh centre to carve through the field for a converted try which brought the Welsh to 12points and leaving West with still time to regain control. It didn't happen and the Welsh side added a further 7points to go home with their first win of the season under their belt and West having much to do to regain their upward momentum in this League.

Message from WLRFC Committee

Old Sods/Crocks Day – 4th February 2012

POSTPONED

Sorry for the short notice but we have had no real option but to postpone Old Sods/Crocks day.

The project to refurbish the pavilion will not be completed in time for 4th

We looked at alternatives to enable us to keep to 4th but they were either unattractive, not feasible (or both) in the time left

In order to give our landlord full opportunity to complete the works and – particularly – the provision of a bar, we are rescheduling to 14th April on which day we play HAC, currently the runaway leaders of the league

We look forward to seeing you all in April

AND

**If you already have a green pass for the 4th, don't waste it, it would be good to see you
the team always welcomes your support**
